Dear Sir/madam

May the court's please excuse any untimely-  
ness on the part of this plaintiff in filing this complaint  
I ask that the court's consider that this plaintiff is  
financially indigent and cannot pay for a lawyer. This  
plaintiff has tried for some time to retain counsel  
but have been unsuccessful eg. [Wass & Cooper, Kenstel & Gorman  
Matthew Waller ect. among others]. In addition too these difficulties  
plaintiff has been homeless for quite sometime with  
very limited resources. There is any incorrect information  
as far as date's may this be attributed to plaintiff's limited  
resources. This plaintiff does not have the access to the  
law library as detainee's in New York do nor is there a law  
library clerk civilian in my facility. In addition too supplies  
like envelopes, writing paper and pens are not given  
to detainee for thirty days and then it is still not guaranteed.  
May the court's also please take notice that this plaintiff  
has repeatedly tried to file a complaint with the N.Y.P.D.  
from Rikers Island but was denied time and time again  
equal access to and protection of the Law.

Please be advised that date  
of notary is the earliest date  
plaintiff could have gotten  
documents notarized

Sincerely,  
Anton F. Liverpool
